

LIGHTOLIER

ICY Flex Cylinder 2"

Pendant, Surface & Wall Mount

Powered by **myCreation**

One cylinder platform. Multiple expressions.

ICY Flex Cylinder combines modular decorative elements, configurable finishes, and coordinated mounting styles into a cohesive architectural system.

Designed to adapt across hospitality, workplace, residential, and amenity spaces, the family offers pendant, surface, and wall mount options that share a unified visual language while allowing each application to stand apart.

Build the aesthetic.

Choose a decorative element or a clean cylinder-only configuration to create varied visual expressions from a single lighting platform.

Trim Cap

Cylinder Only (CO)

Minimal cylindrical form with a clean architectural profile.

Bell (B)

Soft, expressive silhouette with broad visual presence.

Cone (C)

Refined geometric form with directional character.

Adapter Ring

Tube Short (TS)*

Compact illuminated diffuser element.

Tube Tall (TT)*

Extended illuminated diffuser for vertical emphasis.

Globe (G)*

Decorative spherical accent with balanced visual weight.

*Adapter Ring required for Globe, Tube Short, and Tube Tall decorative elements. Ring color may match the housing or serve as an accent finish.

Create visual rhythm overhead with **Pendant Mount.**

Maintain a clean ceiling profile with **Surface Mount.**

Finish the fixture to fit the space.

Printed locally, on demand using myCreation additive manufacturing technology.

Extend the design language beyond the ceiling with **Wall Mount**.
