LUMEC**

Urban

New Westminster

NW Post top luminaire

Designed **to last**

The **Philips Lumec New Westminster LED post top luminaire** charms with its pure and symmetrical shapes, reminiscent of a ring topped with a pearl. This luminaire receives only praise for its curves, which enhance any environment and add ambiance, as well as for its sturdy design, and advanced photometric performance. With its eternal styling, the New Westminster luminaire is ageless. Powered by the Philips EcoSwap LED light engine, New Westminster provides longevity and energy savings.

New Westminster

LED luminaires

The classical and contemporary design in the Philips Lumec New Westminster LED luminaire can be integrated into many different settings. It enhances the surrounding architecture with elegance. Most assuredly classic, but resolutely modern, the New Westminster luminaire know how to create ambiance.

Prior to ordering, consult specification sheets for the most current information, notes, and exclusions.
