SOLUTIONS

a signify business

Warehouse Product Guide

2026

Tackle your lighting project quickly

Tight project timelines can't hold you back; get quality lighting delivered within 5-10 shipping days. Our solutions can light the way for your next project with the Design Ready portfolio.

The selected QuickShip, high performance Philips LED lamps and award-winning luminaires from Genlyte Solutions brands include Lightolier, Day-Brite CFI, and Stonco Keene offerings.

Illuminate your space with ease

Genlyte Solutions provides the lighting solution for every project. Whether it's lighting and connecting your public spaces, giving your space an energy-saving upgrade, or working on a yet-to-be constructed project, we've got you covered. Our Design Ready portfolio makes it easy for you to find highly configurable lighting with modern designs within your timeline and your budget.

Warehouse applications

Around the clock lighting solutions

Lighting can account for a significant portion of a warehouse's energy bill, so it must be as efficient and cost-effective as possible when running 24/7. Longer-lasting and energy-efficient LED lighting can have an enormous impact on your bottom line, reducing operational costs through reduced downtime and lower energy consumption while providing a sense of security on the work floor.

FBZ High Bay

Product highlight

Best in class optics with less fixtures

FBZ's targeted optics solution puts the lighting where you need it all while offering you a leaner design resulting in fewer luminaires and less complexity.

Better overall efficiency¹

A 13% overall improved efficacy rating contributes to a better overall cost of ownership.

On average, a typical application with FBZ versus alternate products can use
up to 38%²
fewer fixtures

1. Based on a typical warehouse aisle application (10' x 300' x 28') using closest competitor comparison luminaires. Actual savings may vary depending on application.

2. Compared to our previous generation luminaire.

Storage, Production & Manufacturing

High Bay (rectangular) luminaires

Day-Brite
CFI

FCY High Bay

- Convenient specification
- Multiple lumen options
- Standard 0-10V dimming
- Simple mounting methods
- Color selectable 4000K/5000K

Stock
ready

Day-Brite
CFI

FBZ High Bay

- Targeted optics solution
- Reduced total cost of ownership with lower capital investment and lower energy costs
- Advanced smart lighting capabilities with adaptive and future proof controls

Design
ready

Day-Brite
CFI

FHG High Bay

- 12,000-60,000 lumens for versatile applications
- Metal housing with excellent thermal management
- 0-10V dimming and sensor-compatible
- 100,000+ hour lifespan, surge protection, and UL listed

Design
ready

High Bay (round) luminaire

Day-Brite
CFI

HCY High Bay

- Multiple lumen options
- Simple mounting methods
- Color selectable 4000K/5000K
- Field mount microwave sensor and programming remote
- Lumen selectable large size 28,000/33,000

Stock
ready

Recessed Troffer

Day-Brite
CFI

Selectable Troffer (DSRT)

- Strong and well constructed 3in deep 5VA housing
- Field selectable lumens and CCT opt.
- Polystyrene diffuser provides visual comfort, even light distribution and high efficiency illumination
- Sensor versions available

Stock
ready

Industrial Linear

Day-Brite
CFI

V3W Vaporlume

- Ideally suited for use in refrigerated cold storage, industrial, parking garage, and canopy applications
- Acceptable for outdoor as well as indoor installations
- NSF Certified option for Non-Food Zone/Splash Zone installations
